Monster Comic Auction

SILENT AUCTION OCTOBER 2024

About the Auction

This is a silent auction, but we will be accepting final bids during our **First Monday Toy Auction** at 6:00pm on Monday 7th October, where this comic collection will appear as **Lot 1**. After that, the silent auction will be closed, with the highest bid winning the lot.

How to Bid

Simply send us your maximum bid by email to auctions@antiquetoys.com.au or by phone on **+61 (0)2 4787 7974**. You can also bid live at the end of the auction by joining us at our First Monday Toy Auction on October 7th, either in our **Auction Rooms** or online at invaluable.com.

Bidding Increment

The bidding increment for this auction is \$100, so please place your bids in even amounts of \$100. Any odd amounts will be rounded up.

Current Bid

The current high bid is displayed on our website and updated as new bids are received. The high bidder's number is also displayed, so if it isn't you, feel free to send in another bid! There is no limit to the number of bids you can submit.

Viewing

The collection is housed in a commercial storage facility in Sydney and may be viewed by appointment. Please call us on **(02) 4787 7974** to arrange a viewing. Due to the way the comics are stored, viewing of a particular comic will not be possible.

Buyer's Premium

A **15%** buyer's premium applies to the winning bid (includes GST). If the winning bid is placed online through Invaluable or AuctionZip, an online bidding fee of **5%** applies (total fee for an online bid is 20%).

Payment

Payment must be made by bank transfer within 7 days of the auction closing.

Pickup

We cannot offer shipping or delivery for this collection, but we can put you in touch with our friends at Pack & Send, who are able to arrange shipping world-wide.

CATALOGUE

The following list has been prepared by the vendor's solicitor, who carefully catalogued the complete collection.

Any comics not of good quality were discarded, apart from a few slightly damaged issues which are noted on the list. To the best of our knowledge, all other issues are in very good to excellent condition.

There are over 140,000 individual comics in 744 numbered cartons, housed in a commercial storage unit in Sydney. Due to the magnitude of this collection, we cannot guarantee 100% accuracy, but we believe that the list properly represents the comics being offered.

There are a few related books and toys in the collection, which are included in the list.
