Featured item: Lot 370  
Wooden RAAF Lockheed Hudson World War II Bomber

In this auction we're back to our usual mix of trains, cars, planes, boats and toys. And there's a bit of everything.

We have more of the popular diecast planes and aircraft kits, along with the rather special wooden RAAF Lockheed Hudson. There are plenty of boats and ships, lots of diecast cars, and trains in O-gauge and HO/OO-gauge, including Australian models in both sizes. There is also a good selection of Meccano and other construction sets, tinsplate toys, and a great range of diecast figures.

Please note that our auctions are now held at **The Gearin in Katoomba**, so don't go to Lawson or you'll be all alone in the dark and cold.

The auction starts at 6:00pm next Monday, June 3rd, at our Auction Rooms in The Gearin. All are welcome to attend. If you're driving, there's plenty of parking nearby. If you're coming by train, you only have to cross the road, because we are right opposite Katoomba station. If you can't join us in person, you can send us absentee bids before the auction, or bid live online at [invaluable.com](http://invaluable.com).

The lots can be viewed at our Auction Rooms next Saturday from 10:00am to 4:00pm, and on the auction day from 3:00pm.

If you have any questions, please call us on (02) 4787 7974 or send us an email.

## THIS MONTH'S NEWS FROM TPA

The big news, if you haven't heard it, is that we have moved our auctions to **The Gearin** in Katoomba. We held the **Great Train Auction** there last weekend and it all ran very smoothly (unlike the real trains which weren't running at all). Everybody enjoyed themselves and we're very pleased with our new auction rooms. We finally have all the space we need to store and display the lots, along with an office and shop area.

As a special treat for our customers, we have central heating! So it doesn't matter if it's snowing outside (which it has been lately), we'll all be snug inside during the auction.

The Gearin is right opposite Katoomba station, so it's very easy to get to whether you're coming by train or car. And Katoomba is a great location for shops, cafes and sight-seeing. The building is no longer being used as a pub, but it does have 41 guest rooms which are available for **accommodation**. So if you're looking for a place to stay – especially at auction time – we can help you. If you'd like to stay with us, please call Keith on **0405 589 906**. The Gearin has seen better days and needs some refurbishment, so we're not offering five-star rooms, but the rates are good!

We're still settling in and have not opened the shop there yet, but we're there most days, so if you want to come in to deliver or pick up goods, give us a call on **(02) 4787 7974** and we can arrange a time. We hope to have the shop open again soon and we'll be in touch to let you know when this happens.
