This month sees another great mix of trains, planes, automobiles, and other toys & collectables.

Our featured item is just one example of some exceptional **Hornby O-gauge** (English and French). Also in O-gauge we have models from ACE Trains, Bassett-Lowke, Bing, Marklin, KBN, Lionel, and Australian from Ferris and Fox.

There's another instalment of **Australian HO**, including some superb brass locomotives and rolling stock sets, all in excellent condition. We also have a good range of other HO and OO locomotives, wagons, coaches, buildings, signals, track and accessories.

After our recent car auction you might think we've had enough of cars, but we haven't! There are over **80 car lots** and it's quite a mixture, including diecast, kits and books.

There's also another serving of planes, some Meccano and other construction sets, lots of railway books, and a few live steam items.

The auction starts at 6:00pm next Monday, October 14th, in our Auction Rooms at The Gearin in Katoomba. Everyone is welcome to attend, to bid or just to watch. There is plenty of parking and refreshments are available. If you can't join us in person, you can bid live online at

invaluable.com, or send us absentee bids before the auction. Telephone bidding is also available by prior arrangement.

Lots can be viewed in the Auction Rooms next Saturday from 10:00am to 4:00pm, and on the auction day from 3:00pm.

Catching up

Some of you may have noticed that we're getting a bit behind in our paperwork. If you've had trouble contacting us or getting a quick response, we apologise. Our key office person Hannah has been away recently following a family emergency, and we're lost without her. We expect her back soon and we're trying to catch up with the backlog, so please be patient, we'll deal with all outstanding matters as soon as possible.

Keith has also been called away this week to do some urgent voluntary work in East Timor. He'll be back on the weekend, but if you need to contact him before then, get in touch with us and we'll see if we can locate him.

We hope to be back to normal by next week, and we're very close to opening the TPA shop in Katoomba – John has been busy polishing toys and stocking cabinets, and they're looking great. We'll make an announcement when the shop is open, and it won't be long, so keep an eye on our website antiquetoys.com.au.
