Bowman O-gauge live steam LNER 0-4-0 Tank Locomotive

Once again, this month we have a great mix of **trains, planes and automobiles**, along with all sorts of other interesting toys and collectables.

Our recent "Just Cars" auction saw the first instalment of a large collection of superb **1:18 scale cars** – which proved very popular – and we have a further instalment to offer this time. There's also a bit more from our **bus collection**, along with other **diecast vehicles** and some **plastic kits**.

We have some lovely trains in this auction, notably the much sought-after live steam **O-gauge** locomotives, and plenty of other O-gauge. There's also lots of **HO/OO** including a good selection of **Australian models**, and a little bit of **On30**.

Then there's Meccano, stationary steam engines, a large range of aircraft kits, and a fair few books, magazines and DVDs.

The auction starts at 6:00pm next Monday, July 6th. We are still operating under coronavirus restrictions, but we have space for a small number of **floor bidders** during this auction. If you would like to attend the auction, please contact us beforehand to **make a booking**.

You can also participate by sending us absentee bids before the auction, or bidding live online at [invaluable.com](http://invaluable.com). Telephone bidding is also available by prior arrangement on lots starting at \$100 or more.

The lots can be viewed in our Auction Rooms next Saturday from 10:00am to 4:00pm, and

also on the auction day from 10:00am to 4:00pm.

If you have any questions, please call us on (02) 4787 7974 or send us an email.

## THIS MONTH'S NEWS FROM TPA

As restrictions ease (at least in NSW) and people are moving about, we're seeing a lot more visitors to the **Beautiful Blue Mountains**. Katoomba has been getting quite busy lately, and so has our shop. We've been especially busy on Saturdays, perhaps because our customers know that the highly esteemed John Ross is here on Saturdays, providing his expert advice on toys and collectables.

As well as antique toys, we have a range of **supplies for hobbyists**, including plastic and metal materials, glues and paints. We're currently restocking our supply of **Humbrol** paints, and now for the first time we can offer a selection of **Tamiya** paints. We also stock track and accessories for HO/OO and O-gauge.

We're open each week on Mondays, Thursdays, Fridays and Saturdays, from 10:00am to 4:00pm. So you're welcome to come and visit us on any of those days, or if you can't come in, give us a call on **(02) 4787 7974** and we'll do our best to help you.

**The Gearin** has also been busy with overnight guests and Polly has been run off her feet. No, his name isn't actually Polly. But if you're looking for affordable accommodation in Katoomba, have a look at [thegearin.com.au](http://thegearin.com.au). It's not fancy, but the prices are good! Our coffee shop **On the Soul Side** is becoming increasingly popular and the menu continues to expand. On the Soul Side is currently open Monday to Friday from 7:00am to 1:00pm.

So when you come to Katoomba to visit us at Trains, Planes and Automobiles, you can sit down and have good coffee and a snack, and perhaps stay with us a night or two.

From the team at  
Trains, Planes & Automobiles.
