Featured item: Lot 163
Minic 71M tinsplate clockwork Mechanical Horse and Milk Tanker

We have a marvellous range of toys and collectables on offer this month. Whether you're into trains, planes or automobiles – amongst other things – there should be something here for you.

There are lots of vehicles of various types. Of special note is the collection of **Minic cars and trucks**, which we don't often see in such good condition. Also some **military vehicles** from Dinky, Benbros, Lone Star and Britains. There's a large range of **Matchbox Yesteryears** and **Collectibles**, mostly boxed and in excellent condition. And there is a huge selection of **Dinky**, not all in great condition but ideal for filling those gaps in your collection.

For the train enthusiasts we have lots of **Dublo**, **OO** and **HO**, including some **Australian HO**, a very nice selection of **O-gauge**, and a few choice items in **1-gauge**.

The novelty items include electronic and clockwork **music boxes**, an impressive Maisto **Christmas trolley car**, and a rather nice "Spirit of St Louis" **old-style radio** which has

already generated a lot of interest.

There's also a good selection of **planes and ships, collectors' cards, books and DVDs.**

The auction starts at 6:00pm next Monday, September 7th, in our Auction Rooms at The Gearin in Katoomba. We have **limited space for floor bidders**, so if you would like to attend this auction, please contact us beforehand to **make a booking**.

You can also participate by sending us absentee bids before the auction, or bidding live online at invaluable.com. Telephone bidding is also available by prior arrangement on lots starting at \$100 or more.

The lots can be viewed in the Auction Rooms next Saturday from 10:00am to 4:00pm, and on the auction day from 10:00am to 4:00pm.

If you have any questions, please call us on (02) 4787 7974 or send us an email.

THIS MONTH'S NEWS FROM TPA

Coming up

The diecast cars keep rolling in, so we're going to hold another **Just Cars "quiet" auction** this month, on **Monday 21st September**. As always, there will be a great selection of cars, trucks, buses, etc. We'll be in touch again soon with full details.

Our **First Monday Toy Auction** in October will be held as usual on the second Monday of the month, **October 12th**. We always delay this auction because – in normal times – the first Monday in October conflicts with the AMRA Sydney train show. The AMRA show has been cancelled this year, but we'll still delay the auction since the first weekend in October is also the NSW Labour Day long weekend, and people may still be returning from their (short-distance) holidays.

We have just received an impressive collection of **1-gauge** including LGB and Aristo-Craft, and we will be featuring this in the October auction. Stay tuned for more information closer to the auction.

Warming up

Now that the snows have melted and the trees are in blossom, we're officially in Spring. To celebrate the warmer weather, our coffee Shop **On the Soul Side** is formally launching its delicious **hand-made ice cream**. We've had a preview sample or two and can highly recommend it. The new ice cream range is available from this week onwards, and you can sample it yourself – or buy some for later – during the coffee shop's regular opening hours: Monday to Friday 7:00am-1:00pm, and Sundays 8:00am-3:00pm.

As a special offer to those who read our newsletter, throughout September when you buy an ice cream, you can have a **coffee at half price**. We may have mentioned this before, but the coffee is great, too!

Next time you're in Katoomba, remember to visit us and see our toys and collectables, and have an ice cream or two. Trains, Planes and Automobiles is open on Mondays, Thursdays, Fridays and Saturdays, from 10:00am to 4:00pm. We look forward to seeing you.
