Our November auction – very suitably – contains mostly trains, planes and automobiles.

We start with a good range of **planes** including diecast models and plastic kits. Then we're into trains, with a bit of **1-gauge**, some **O-gauge**, plenty of **HO/OO-gauge**, and quite a lot of **N-gauge**.

Then it's on to **cars**, including a fair few **buses** and a great variety of other diecast vehicles.

We told you there was a big **collection of books** coming up, and this auction includes the first instalment. These are mostly motoring and railway books, many of them reference works, all at very attractive prices.

The auction starts at 6:00pm next Monday, November 2nd, in our Auction Rooms at The Gearin in Katoomba. We have **limited space for floor bidders**, so if you would like to attend this auction, please contact us beforehand to **make a booking**.

You can also participate by sending us absentee bids before the auction, or bidding live online at [invaluable.com](http://invaluable.com). Telephone bidding is also available by prior arrangement on lots starting at \$200 or more.

The lots can be viewed in our Auction Rooms next Saturday, October 31st, from 10:00am to 4:00pm, and on the auction day next Monday from 10:00am to 4:00pm.

## THIS MONTH'S NEWS FROM TPA

### More stock

We continue to expand our range of hobby and modelling supplies, and we currently have stock of some things that are not easy to find right now.

Shipments of **Peco** have been delayed throughout Australia, and while we're waiting for more HO track, we do have good stock of points and accessories in both **HO-gauge** and **N-gauge**, and plenty of N-gauge track. We also have **Metcalf** N-scale card building kits, just about their entire range. So if you're having trouble tracking down model railway supplies, give us a call and we may be able to help you.

We recently received a shipment of **Hornby OO-gauge** passenger and goods sets, **Harry Potter** and the **Flying Scotsman** amongst them. These are ready to run, complete with controller and track mat. Christmas is just around the corner now, and these sets make great gifts. We're offering them at very attractive prices and expect them to go fast (in all senses of the word). We don't know when we'll be able to get more, so don't delay or you may miss out.

### More food

Our coffee shop "**On the Soul Side**" is expanding its range of food and drinks. Amongst other things, you can now get a delicious Turkish sandwich to go with your fantastic coffee. And don't forget the wonderful hand-made ice cream! "On the Soul Side" is happy to take **group bookings** and recently hosted a morning for the **Trek for Timor** walkers during their journey up the mountain. They continued their walk content and well-fed. If you'd like to book your group for a great meal in the unique atmosphere of "On the Soul Side" in Katoomba, call Dave on 0448 477 197.

### More auctions

There's not much left of 2020, but we'll be packing two auctions into December. We'll have our regular **First Monday Toy Auction** on Monday 7th December, and hot on the heels of that there will be a **Christmas Auction** on Monday 14th December. We'll be in touch with full details before then.

We now have two viewing days for all our auctions, the Saturday before the auction from 10:00am to 4:00pm, and the auction day from 10:00am to 4:00pm. So for those of you who are able to visit us, you have twice the opportunity to see the lots.

At other times, you can come in and see all the great stuff in our shop, which is open every Monday, Thursday, Friday and Saturday, 10:00am to 4:00pm. Whenever you're in the Beautiful Blue Mountains, come and visit us. We'll be pleased to see you and help you with your toy and hobby needs.
