As promised, this auction features lots of trains, notably a large selection of **Australian HO-gauge**, including some excellent brass locomotives. There's plenty of other HO/OO-gauge including British and European models, also a complete **TT-gauge** set from Rokal.

We have some very interesting Australian **railway memorabilia**, also books, prints, posters and photographs including some Kenneth G. Bowen and Brian Baigent prints.

Also from Australia there's the range of **Trax** 1:43 scale cars and **Trux** 1:76 scale buses. These have been very popular lately and we're pleased to be able to offer some more this month.

In other cars, we have **Matchbox** Models of Yesteryear and Collectibles of many different types, also a good selection of **fire engines**. And there are some **slot cars**, which we don't see very often.

The auction starts at 6:00pm next Monday, September 5th, in our Auction Rooms at The Gearin in Katoomba. All are welcome to attend. There is plenty of parking and refreshments are available.

If you can't join us in person, you can participate by sending us absentee bids before the auction, or bidding live online at invaluable.com. Telephone bidding is also available by prior arrangement on lots starting at \$200 or more.

The lots can be viewed in our Auction Rooms next Saturday, September 3rd, from 10:00am to 4:00pm, and on the auction day next Monday from 10:00am to 4:00pm.

If you have any questions, please call us on (02) 4787 7974 or send us an email.

THIS MONTH'S NEWS FROM TPA

More Auctions

Once again, our warehouse is full to bursting with great toys and collectables, so we're squeezing another auction into September. This will be one of our Mid-Month Auctions, on **Monday September 19th**. Like our regular auctions, it will be conducted live in our Auction Rooms and also streamed online at invaluable.com.

Three weeks after that will be our First Monday Toy Auction for October. As usual, this will be held on the *second* Monday of the month, so as not to conflict with the Sydney model train show and the NSW long weekend.

Then we'll continue with our First Monday Toy Auctions in November and December, and we're planning an extra auction in December so you can stock up on Christmas presents (perhaps for yourself).

We'll be in touch with full details before each of these auctions. Keep an eye on our website antiquetoys.com.au to see what's coming up.
