

First Monday Toy Auction

Monday 4th September 2023 at 6:00pm

Highlights include:

- Great variety of toy soldiers including Britains
- Military toys, sets and books
- Tinplate toys
- Australian HO-gauge including brass locomotives
- Australian O-gauge locomotives, wagons, accessories and parts
- Large selection of Hornby O-gauge including pre-war models
- More O-gauge from Bassett-Lowke, Marklin, Lionel, Mamod, MTH, Williams, Marx, American Flyer, Sakai, and others
- Railway books and prints

Featured item: Lot 185
Col Shepherd O-gauge NSWGR Z19 Class 0-6-0
Locomotive

This month is mostly trains and military, and a great variety of both.

Starting with **toy soldiers**, we have figures, sets, vehicles, and accessories, including lots of Britains both early and modern. There is also a good range of military books.

In trains, we have over 250 lots of **HO-gauge** and **O-gauge**.

There are some nice **Australian HO-gauge** locomotives, and a good selection of **Australian O-gauge** including Maurlyn, Ferris, Robilt, and O Gauge House, not to mention our featured item, the rare Z19 Class locomotive. There are also some Australian books and prints, including several **3801 prints** by Brian Baigent and Phil Belbin.

In other O-gauge we have lots of **Hornby** locomotives, wagons, sets, buildings, and accessories; a large range of **Lionel**; and many other O-gauge items from various brands, including a **Bassett-Lowke live steamer**.

This auction is a real treat for the train buffs and the toy soldier collectors.

The auction starts at 6:00pm next Monday, September 4th, in our Auction Rooms at The Gearin in Katoomba. All are welcome to attend. There is plenty of parking and refreshments are available.

If you can't join us in person, you can participate by sending us absentee bids before the auction, or bidding live online at invaluable.com.

The lots can be viewed in our Auction Rooms on Saturday 2nd, Sunday 3rd and Monday 4th September, from 10:00am to 4:00pm.

If you have any questions, please call us on (02) 4787 7974 or send us an email.

THIS MONTH'S NEWS FROM TPA

Forthcoming Auctions

The end of the year is fast approaching but we still have time for more auctions.

Our next auction will be a mid-month "quiet" auction, a little later than usual, on **Monday 25th September**, which will feature mostly cars.

After that will be our First Monday Toy Auction for October. As usual, to avoid conflicts with the NSW long weekend, this will be held on the second Monday of the month, **October 9th**.

In November we will have the regular First Monday Toy Auction on **November 6th**, and we expect to hold a "quiet" mid-month auction as well.

Our last auction for the year will be the First Monday Toy Auction on **December 4th**.

As always, we will be in touch with full details shortly before each auction.

Keith's Trivia

Here's another round of questions from Keith's obscure and secret sources.

1. What was the main terminus in London of the Great Western Railway?
2. What powered the 1845 model aeroplane made by British inventors William Henson and John Stringfellow?
3. What metals made up the alloy "mazak", used by Dinky and many other toy vehicle manufacturers?
4. In 1933 which company sold a cockroach-racing machine, so popular they could not keep up with demand?

Remember, there's a prize to win at the end of the year. Send you answers to trivia@antiquetoys.com.au.

Spring in the Mountains

The blossoms are out and it's a lovely time of the year to visit the **Beautiful Blue Mountains**. When you do, come and see us at Trains, Planes and Automobiles in Katoomba.

Our shop is open on Mondays, Thursdays, Fridays and Saturdays, from 10:00am to 4:00pm, and also next Sunday for auction viewing. Grab a coffee from our coffee shop "On the Soul Side", and come and look at the auction lots and all the other wonderful toys on display. We'd love to see you.

From the team at
Trains, Planes & Automobiles.
