- O-gauge from Hornby, Bassett-Lowke, Bing & others
- American Flyer Standard Gauge set
- Toy soldiers
- Star Wars items
- Rare Noddy & Big Ears puppets
- Toys and games

This month we're giving you a double dose of auctions to help you with your **Christmas shopping**. Our regular December auction takes place next Monday, **December 7th**. But we have so many great toys and collectables to sell that we're holding a special **Christmas Auction** one week later on Monday the 14th.

The December 7th auction features an excellent mix of trains, cars, toys, and collectibles of many different types. Our featured item, the **American Flyer Set**, has already generated much interest – even before the catalogue was published. We also expect to see a lot of interest in the **Noddy & Big Ears** marionettes, very unusual and in exceptionally good condition for their age. The auction includes a large range of **HO/OO**, and lots of **diecast cars** to suit all tastes and budgets.

Bidding is available by phone, fax, email, online or in person. **Viewing** is open at our Annandale gallery next Saturday from 10:00am to 4:00pm, and at our Mount Victoria auction venue from 3:00pm on the auction day. The auction starts at 7:00pm on Monday and you're welcome to join us. It's always an entertaining evening, there's plenty of parking and refreshments are available. If you can't come in person, you can join us online at invaluable.com.

For full details of the December 7th auction, visit antiquetoys.com.au.

Christmas Auction

The Christmas Auction on **December 14th** will include even more trains, cars and toys, with plenty of bargains and stocking-fillers. We're calling this a "Quiet Auction" – it's not silent but it's not as loud as usual. We won't be holding it at our usual auction venue, so there will be **no floor bidding**, and while it will be conducted live online at invaluable.com we won't be broadcasting video or audio. This is the way we used to conduct our auctions in the old days (about three years ago) before we graduated from just steam-power.

You can participate in the Christmas Auction by leaving **absentee bids** or **bidding online**. We will also accept **telephone bids** by prior arrangement. Full details of the Christmas Auction will be available next week – in the meantime visit our website to see a preview.

From the team at
Trains, Planes & Automobiles.
