- Railway memorabilia
- Diecast cars from Corgi, Dinky and Matchbox including Super Kings
- Diecast aircraft
- Robots and other sci-fi items
- Tinplate and other toys

This month we're tempting you with another great mix of trains, cars and toys.

First up there's a large selection of **O-gauge**, including the **Ferris Red Rattlers**, **Leeds** wagons, and lots of **Hornby** locos, rolling stock and accessories. Then we have the excellent **On30** locos from Bachmann Spectrum and Broadway Limited, as well as On30 parts and accessories.

Following a small collection of **Australian railway memorabilia**, there's a great range of superb **Australian HO** including brass locomotives and some iconic NSW coach sets. And of course there's the usual offering of HO & OO from Hornby, Tri-ang, Bachmann, Lima, Fleischmann... and quite a few other brands.

Then there are tin toys, diecast planes, and a good selection of sci-fi items including R2D2 and C3PO from **Star Wars**. If you like pink & frilly, you'll love **Barbie's jumbo jet**, an unusual toy we haven't seen before and probably won't see again for a long time (we hope).

For the motor-heads we have over **150 lots of diecast cars** from many different brands, including a great range of Corgi and Dinky, early Matchbox 1-75s, and a selection of Matchbox SuperKings. You'll also see a smattering of military vehicles.

So, once again, there's something for everyone.

The auction starts at 6:00pm next Monday, June 5th, at our Mount Victoria auction venue. All are welcome to attend. There is plenty of parking and refreshments are available. If you can't join us in person, you can bid live online at invaluable.com, or send us absentee bids before the auction. Telephone bidding is also available by prior arrangement.

The lots will be on display at our Annandale shop next Saturday from 10:00am to 4:00pm, and at the auction venue next Monday from 3:00pm.

Visit our website to view or download the catalogue and see further details. If you have any questions, please call us on (02) 4787 7974 or send us an email.

THIS MONTH'S NEWS FROM TPA

Nothing definite yet, but...

There's a rumour going round that the Great Train Weekend will be returning in 2018 after an absence of six years. Those who attended in past years will know what a brilliant weekend it was, with stalls, games, rides, model railway displays, and a steam train laid on. It all happened in the charming Blue Mountains village of Mount Victoria, and we're hoping it will happen again. 2018 marks the 150th anniversary of the opening of Mount Victoria station, so it's an ideal time to celebrate. When we have more news, you'll be the first to know.

New in Blackheath

When you next visit Blackheath, as of course you must, check out the latest cafe, Blackheath General Store, an attractive restaurant which serves exceptionally good food and also offers an eclectic range of kitchenware, giftware and... pencils. With the cold weather now upon us we can recommend their excellent soups. You'll find them on the Great Western Highway opposite Blackheath station.

And when you visit Trains, Planes & Automobiles in Blackheath, ask for a copy of the latest Model Railways in Australia magazine. The current issue (No. 36) has just arrived. It's normally \$6.00 but if you buy something from us we'll give you one for free, while stocks last. And don't forget we always stock Australian Model Railway, including back-issues. More good news for railway modellers is that we now have Atlas O-gauge track back in stock after a long drought when the factory couldn't supply it. We have plenty now, so come in or give us a call.

If you drop into our Blackheath shop on a weekend you can meet young Ace (aka Reilly), the latest addition to the TPA team. We're usually open on weekends, but as you know "When we're open we're open". When you want to visit, check our website or call us on (02) 4787 7974 to make sure. We're also happy to open by appointment. Just let us know when you'd like to come in and we can be there for you.
