Our First Monday Toy Auction for March includes a great mix of toys and collectables. Whether you're into trains, planes or automobiles, we've got something for you.

Of note is the large selection of **military diecast**, mostly from Dinky, also a good range of **TV and movie** related vehicles. **Trains** are well represented in gauges from N up to 1, including some very nice Tri-ang and a second outing for some impressive O-gauge models at reduced prices.

The auction starts at 6:00pm next Monday at our Mount Victoria auction venue. You can join us there or bid live online at invaluable.com. You can also leave absentee bids with us at any time before the auction.

As always, the lots are on display at our Annandale shop this Saturday from 10:00am to 4:00pm, and at the auction venue from 3:00pm next Monday.
