### THIS MONTH'S NEWS FROM TPA

#### Coming soon from ACE Trains

Our next shipment from ACE Trains will be arriving in the next couple of weeks. This time we'll be receiving a small number of the long-awaited E/28 **BR Class 9F 2-10-0 locomotives**, in two versions: the A1 "Evening Star" in gloss green, and the B1 "Black Prince" in satin black. Several of these have been reserved, but we have a few still available, so if you would like to own one of these impressive locos, get in quick and give us a call. Thanks to the weaker UK pound, you will be pleased and surprised by the price of this significant loco.

#### This year at Liverpool

We had a great time at the **Sydney Model Train Exhibition** last weekend. As always, thousands of train enthusiasts packed the venue each day, enjoying some excellent layouts and grabbing lots of bargains. It was good to see so many people and catch up with old friends. A big thank you to all who visited our stand. If you missed out, you'll have to wait until October 2017. We'll be there!

#### Power at a bargain price

One of the bargains we were offering at Liverpool was the **Master Control Station**, the ultimate in train controllers from **The Gauge One Gallery**. Designed for 1-gauge, this controller handles a whopping 15 Amps and we are continuing the special show price of **\$250** (originally \$349) while stocks last. There are just a few left at this amazing price, so call us without delay if you want one.

### **Sad news**

We were saddened recently to hear of the passing of Elaine Thompson, who was one of our major supporters and instrumental in securing our regular auction venue in Mount Victoria. We will miss Elaine and we offer our sympathy to her husband Jack and all the family.

### **In Blackheath**

If you're thinking of visiting Blackheath during this gorgeous Spring weather, as well as dropping in to TPA you should check out the new **Blackheath Interiors & Homewares**, just a few doors up from us at 42 Govetts Leap Road. They have just moved from the wrong side of the tracks and opened this beautiful new shop full of furniture, homewares... and chocolates! Well worth a visit.

And a good time to visit Blackheath would be **next Sunday**, because we'll be holding one of our regular **garage sales**, outside the shop at 50 Govetts Leap Road from 10:00am. We'll have a good selection of interesting things including books, records, toys, bric-a-brac, and junk. The **Blackheath Growers' Market** will also be on, and of course our shop will be open. We hope to see you there!

From the team at TPA.
